

Florida Deaf Golfers Association is proudly hosting the 26th Annual FDGA Golf Tournament on April 27-29 at the Silverado Golf & Country Club in Zephyrhills under the host of Jay Copeland.

Silverado Golf & Country Club area's natural beauty is defined by the mature oaks that date back over 100 years and the abundant wildlife, including red tail hawks, geese, and foxes. The landscape provides an excellent round of golf, which is further enhanced by the year-round temperate climate. Bunkers treacherously lurk throughout, and the occasional water hazard also comes into play.
