AUBURN HILLS GOLF COURSE

This golf course is challenged by the scenic wetlands, rolling hills, and tight corridors spread throughout this stunning course.

The weather on Monday (State Scramble Team) was nice, with highs in the upper 80s. Also, on Tuesday, the first round of the MDGA tournament was nice, with temperatures in the low 90s. Then, on Wednesday, during the second round, it was windy with about 20 mph and reached the low 90s. On Thursday, during the final round, the weather was windy again, with winds around 20 mph.

MDGA's 78th annual tournament welcomed 50 golfers from 16 states. We had 22 Open, 15 Seniors, and 13 Super Seniors competing at Auburn Hills Golf Course in Wichita, KS.

THREE NEW MDGA GOLFERS

First-time MDGA tournament golfers were warmly welcomed: Jeff Carnley (KS), David Nix (KS), and Ronald Starks (KS).
